It was very disappointing to hear that our Tatong Sports Pavilion was once more broken into late last week..... We are hoping that if we publicise this maybe we will be able to stop it, by making more local people aware of this nuisance happening in repetition.

Congratulations to Jenny Campbell on being elected Secretary of The Benalla & District Jnr. Football League.

The first local fires of the season occurred this week on the 26th. The Doherty's and The Weavers. Thanks to the local C.F.A. volunteers who had things under control.... with no great damage.

The Benalla Office of the D.C.E. is seeking assistance in locating the endangered Regent Honey Eater. They are most conspicuous between now and Christmas, in yellow box and red gum trees. However other planted eucalypts in gardens are also used. If you see any of these birds, please contact I. Davidson on 611611, as soon as possible.

A challenge for all you bird watchers of the feathered variety, to get on out there with your binnoculars.

The Tatong Primary School B.B.Q., will be held on Friday 7th December at the school starting at 6.00pm. The Xmas Concert will be held at the local hall at 7.30pm on Thursday 20th of December.
